Farm Pond Workshop

March 29 – Anderson, SC

Do you have a pond on your property that you use for fishing, swimming, irrigation, or watering your livestock?

Learn how to maintain a healthy pond in this half-day workshop led by Clemson Extension agents.

This workshop will cover the basics of your recreational/farm pond, including:

- Pond bottom sampling
- Irrigation water sampling
- Determining pond size
- Shoreline management
- Alternative water sources for livestock

Registration required by March 22, 2019.
