

Good Afternoon,

We hope this email finds you doing well. Out of an abundance of caution for traveling speakers, vendors, special guest, and members of the South Carolina Cattlemen's Association, we in conjunction with Clemson University have decided to postpone the annual meeting to a later date(to be determined). According to the CDC:

"Reported community spread of COVID-19 in parts of the United States raises the level of concern about the immediate threat for COVID-19 for those communities. The potential public health threat posed by COVID-19 is very high, to the United States and globally."

Again, this is out of an abundance of caution, and we apologize for any inconvenience this may cause. Our staff will work with registrants and vendors over the next couple of weeks to reimburse registrations and sponsorships. The SCCA values your support but certainly wants to take precautions to ensure safety of its members and others who may have been traveling on our behalf.

Sincerely,

SCCA Leadership
